2. Measurements will be given as per ground sections recorded. The earnest money is Rs. 200 and the work should be completed within six months from date of orders to start the work.

R. N. MIRZA,
Senior Executive Engineer.

OFFICE OF THE DEPUTY DIRECTOR OF AGRICULTURE, SHIMOGA.

Notification No. B. 12-14—34-35, *dated 14th July* 1934.

Notice is hereby given that sealed tenders will be received in this Office up to 2 P.M., on Thursday the 2nd August 1934, for the supply of all or any of the articles specified in annexure for Marthur Farm, and the period of contract to take effect from date of acceptance to end of June 1935.

2. The quantity of each kind mentioned is only approximate and cannot be guaranteed. They must be supplied in such quantities and at such intervals as the Farm Manager, Marthur, may choose to order.

3. Rates quoted must be per unit given in the list for delivery at the Farm, and the amount of each item must be worked out for the quantities indicated and the total amount of all of the items should also be given.

4. No tenders will be accepted unless accompanied by a deposit of Rs. 100 in currency notes as earnest money.

5. The final acceptance of the tender rests with the undersigned who reserves to himself the right of rejecting any tender for all or any of the items therein or for accepting any tender without assigning any reason for so doing.

6. Intimation of acceptance of the tender will be given to the successful tenderer in writing.

7. Within three days after receipt of such acceptance, the successful tenderer will be required to execute the contract bond on the usual Government stamped paper and present the same to the Farm Manager, in default of which his tender will be considered cancelled and his deposit money will be forfeited to Government. The supply of articles should commence within seven days from the date of executing the agreement.

8. The earnest money received from the unsuccessful tenderers will be returned to them in due course by M. O. after deducting the M. O. commission.

The deposit of the successful tenderer will be retained as security deposit for the due fulfilment of the terms of his contract, and it will be returned to him at the termination of the contract, *i.e.*, after the end of June 1935.

9. The decision of the Farm Manager in all questions of acceptance or rejections of any articles supplied is final.

10. The contractor must supply any other article not specified in the list at Market rates, on reasonable notice.

11. No application from the contractor for any sort of concessions whatever in consequence of the rise in the price of the articles in the market due to scarcity, or other causes, will be considered.

12. No advance of cash will be made to the contractor and payment for articles supplied will be made by the Farm Manager, from time to time, as soon as possible after supply, on production of necessary accounts and vouchers in support of bills.

13. In making payment, fractions of "a rupee" in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, amounts less than half a rupee will be disregarded and half a rupee or over taken as a rupee. Similarly, in the case of bills for less than Rs. 25, the fractions will be rounded to the nearest anna, *i.e.*, amounts below half-anna being omitted and half anna and over being reckoned as one anna.

14. The contract must not be sublet.

List of articles with probable quantity and number required for the use of the Marthur Farm from 1st July 1934 to 30th June 1935.
